

BJGA NOVICE REGISTRATION

Registration is open for the Bermuda Junior Golf Association's Novice Golf Lessons.

Who can register? Any person who plays golf or is interested in learning the game of golf who is between 8 and 18 years old. Our usual minimum age is 8 years old, however, we will accept children as young as 6 years old provided they can participate appropriately (be attentive and behave) in a group lesson for 45 minutes without constant supervision. We do not do behavioral analysis on your children to determine if they will fit - we ask parents to be honest: can my child participate appropriately or is it better to wait a year?

How much does it cost? The 2017/18 cost for novice lessons is \$100 per 10 week term or \$250 for the full season (September 2017 - June 2018).

When can I register my child? Our season runs from September to June, so ideally juniors will be registered in September. However, we do rolling registration so you can register at any time during the year and we will find a spot for your junior.

Is registration open now? YES! Registration for the 2017/18 BJGA season is now open by clicking [here](#).
